Broward County
Special Projects Program:
Partial Project Program
APPLICATION

Overview

The Special Projects Program: Partial Project Program is a performance-based rebate program that is intended to attract feature films and TV/streaming series to produce portions of high-profile projects in Broward County. Each project's eligibility will be determined on a case-by-case basis with limited availability. The decision to choose a qualified project that will give the best ROI to the County will be determined by County Administration.

The incentive will be distributed as a rebate after the Production Company provides proof of its local spend, hires, etc., through paperwork from a Production accountant that meets the criteria stated in the incentive agreement and/or incentive guidelines. *NOTE: An applicant may only apply to one of the incentive programs for each individual project.*

Qualifying Projects

A project must be high-profile, major TV/streaming series with distribution or a studio-produced, tentpole/franchise motion picture. The following projects are NOT eligible to apply for the Partial Project Program: a documentary; a weather or market program; an award show; a reality show; a sporting event or sporting event broadcast; a gala; a made-for-television motion picture; visual effects or digital animation sequences produced in conjunction with a motion picture; a commercial; a presentation for a television pilot program; a production that solicits funds; a home shopping program; a political program; a political documentary; political advertising; a gambling- related project or production; a concert production; a local, regional, or Internet-distributed-only news show or current-events show; a sports news or sports recap show; a Beauty Pageant; a pornographic production; or any production deemed obscene under Chapter 847, Florida Statutes.

Definitions

Cast and Crew means personnel hired on a Production Project who work as talent in front of the camera or in the technical and practical business of shooting a Production.

Digital Media Project means visual effects or digital animation sequences.

Extras/Background Actor means a performer who appears in a non-speaking or non-singing (silent) capacity, usually in the background in a film, television show, or any production project. *NOTE: required cast and crew percentage may not include background talent, but if they are Broward County residents, their salaries count towards eligible expenditures.*

Production means a theatrical or direct-to-video motion picture; a made-for-television motion picture; visual effects or digital animation sequences produced in conjunction with a motion picture; a commercial; a documentary film; a television pilot program; a presentation for a television pilot program; a television series or streaming, including, but not limited to, a drama, a comedy, a soap opera, a telenovela, or a miniseries production. One season of a television series is considered one production for purposes of applying for the incentive.

(defined under Production). For the purposes of the incentive application, the applicant is referred to as the Production Company.

Production Days means the combined number of days used to create a Production, including pre-production, days spent on-site making the Production, and post-filming days, which includes the preparation concluding a Production as well as editing a Production to achieve a final product.

Qualifying Expenditures means payment for such goods and services and labor per requirements from the date of submission of the application through the Duration of Project (as defined below). A list of eligible expenditures is available upon request from the Film Commission. Proof of Broward County residency requires a copy of a Florida driver's license and one (1) other supporting document (which is dated within one month before pre-production through one month after wrap). A list of supporting documents is available at http://www.flhsmv.gov/ddl/address.html. *NOTE: Production services fees cannot exceed 10% of total local expenditures.*
